

## EDUCATION

### École Nationale Supérieure d'Informatique (ESI ex- INI) Computer Science Degree

09/2019 - Present

Alger, Algérie

#### Classes

- Probabilities and Statistics.
- Object Oriented Programming.
- Databases.
- Linear Algebra.

### CodeLabsAcademy

#### Data Science Bootcamp (Gentle Introduction)

12/2021 - Present

London, England

#### Units

- Python.
- Data Analysis.
- Machine Learning.
- Computer Vision.
- Data Exploration.
- Data Visualization.
- Deep Learning.

## PROJECTS

### Port-Gest SARL AMEL

04/2021 - 07/2021

A desktop application to help a transit company manage its clients, stocks, etc.

#### Features

- Displaying all the existing records.
- Adding new records.
- Removing/Editing old records.
- Printing all the existing files.
- Visualizing a dashboard with relevant KPIs.

Used Technologies : Mysql - Python (PyQt5, PySide2)

## SKILLS

EXCEL

Numpy

Scikit Learn

Seaborn

Pandas

Python

Tensorflow

Matplotlib

SQL

Statistics

Probabilities

## EXTRACURRICULAR ACTIVITIES

Head of the Training Department at CSE (Club Scientifique de l'ESI) (08/2021 - Present)

Microsoft Student Ambassador (Microsoft) (01/2021 - Present)

## CERTIFICATES

Introduction to Deep Learning (School of AI) (01/2022)

Data Visualization with Power BI (ETIC) (12/2021)

Introduction to Data and Data Science (365 Data Science) (10/2021)

Probabilities (365 Data Science) (10/2021)

AI For Everyone (Coursera) (09/2020)

Data Science Math Skills (Coursera) (08/2020)

Machine Learning for All (Coursera) (08/2020)
